

***Go to PHS website.**

***Click Convenient MD Daily Screening.**

***Enter Username**
Student's username is the beginning of their google account login before the @ symbol. So 4th Grader John Smith would be 2929smjo

***Click Student.**

***Click Take Assessment to answer the questions.**

Contact Carin Foss if you do not know your student's Google account. cfoss@sau53.org

Please complete this daily assessment before participating in any school activities (entering the school, playing on the playground, getting on the school bus, etc.). This needs to be taken on days you attend school physically or virtually to most safely track any potential COVID-19 cases. This assessment will tell you whether you are cleared to physically attend school.

User ID *

Please Select *

If you are visiting our school today as a guest, please complete the self-assessment [here](#)
